(July 28, 2024)

This study guide is based on the message that is available on YouTube.

Opening Discussion: Share an incident where you or a friend received healing.

Dive Deeper:

1. Read Mark 5:21-34. What do we learn about this woman's condition? What doubts or feelings did she possibly feel throughout her 12-year illness? Share how you deal with doubts or frustrated feelings during difficult times.
2. Read Leviticus 15:25-28. Why would the bleeding woman's physical condition have also caused her emotional and relational strife? What would Jewish law have labeled her? Why would this woman have secretly touched Jesus' robe?
3. What obstacles would this woman have fought to get to Jesus? What obstacles are you currently fighting to keep your chin up? How has it tested your faith?
4. Read Matthew 8:1-3. How did Jesus respond to the unclean man? What level of faith did this man have? What attitude did this man and the bleeding woman's posture signify?
5. In the case of the bleeding woman, with the crowds surrounding Jesus, she pushed forward in faith. Why do we become hesitant in approaching the Lord when we find ourselves in need of healing? How does society influence our view of healing?
6. According to Mark 5:34 and Matthew 9:27-29, what released God's healing power? How does this speak against the idea of "earning" our healing?
7. Why did Jesus ask, "Who touched my robe?" How should we apply the principles of this woman's story to our lives?

Encouragement: The Bible reminds us that God never gives up on us. By faith, continue to humbly seek God.
